

CHANGING ROOM POLICY

Weston Colville C.C (hereafter referred to as 'The Club') has agreed the following policy to comply with ECB and NSPCC requirements to provide a safe environment for changing.

- Adults should not change or shower at the same time when using the same facility as young people.
- Adults should try to change at separate times to young people.
- The Club will try to ensure separate changing facilities are made available but if there is a need for adults and young people to share the club will seek to obtain the consent of parents/guardians/carers and ensure adequate supervision is made with a responsible adult (see Note 1) being present at all times.
- The Club are happy for parents to supervise their young people whilst they are changing.
- The Club will not put pressure on young people to shower if they feel uncomfortable.

Note 1

In respect of juniors playing in open age cricket one member of the WCCC adult age group [the responsible adult] shall take personal responsibility for the welfare of the WCCC juniors. The responsible adult will be DBS cleared and be familiar with, implement and comply with the relevant club policies
